

REMARKS

Claims 1-16 are the only claims pending. Original claims 1-11 and 13-15 have been amended to eliminate informal "use of" terminology and multiple ranges, to reduce filing fees by eliminating multiple dependency and to provide minor clarification.

Support for method claims 1-10 and 13 is located in the first paragraph on page 1 and Working Examples 5-32.

Additionally, claim 8 is currently amended to remove an inadvertent period.

The content of claim 12 is added to claim 11 and therefore claim 12 is redundant and cancelled.

New claim 16 is added to clarify claim 15.

No new matter has been added.

Applicants aver that the claims are now in better form for examination. An Action on the merits of the claims is respectfully awaited. In the event that minor amendments will further prosecution, applicants request that the examiner contact the undersigned representative.

Respectfully submitted,
